

## **Respected Exhibitors, Visitors & Industry Colleagues**

**We feel sorry to inform you that the Photo Expo Kolkata 2016 which was scheduled from July 31, August 1 & 2 at Netaji Indoor Stadium is not happening due to Government of West Bengal programme during the same dates.**

**We have invested enough efforts to find the alternatives, but due to Govt. stringent rules, non availability of the venue and not finding the appropriate time schedule for the event, we along with EIPTIA members have taken this step. We also do not wanted to have our show close to other events and create un healthy competition and confusions.**

**Hope everyone understand our situation. Very soon we will announce & communicate the event schedules once we take a collective decision.**

**Thanks for your support.**

**Regards**

**Villart & EIPTIA Team**
